APPROVAL OF STATE ENGINEER

This is to certify that I have examined the foregoing application,
and do hereby grant the same, subject to the following limitations and
conditions:

This permit is issued subject to all prior rights on the source.
A valve must be installed and maintained to prevent waste of water and
accurate measurements of water placed to beneficial use must be taken
from time to time. This source is located within an area that has been
designated by the State Engineer as coming within the meaning of the
provisions of the 1939 Underground Water Act as amended in 1943; there-
fore the State reserves the right to regulate the use of the water
herein granted at any and all times.

The amount of water to be appropriated shall be limited to the amount
which can be applied to beneficial use, and not to exceed 4.7
cubic feet per second.

Actual construction work shall begin on or before November 30, 1945

Proof of commencement of work shall be filed before December 30, 1945

Work must be prosecuted with reasonable diligence and be completed on or
before November 30, 1947

Proof of completion of work shall be filed before December 30, 1947

Application of water to beneficial use shall be made on or before

November 30, 1949. Proof of the application of water to beneficial

use must be filed with State Engineer on or before December 30, 1949

Map Filed NOV 6 1944

Proof of commencement of work filed JUL 3 1947

Proof of Completion of work filed DEC 30 1947
